christy & kari

Lounging around by the pool all afternoon discussing their rather dull hook ups with men, bikini-mates Christy and Kari decided that licking each other's pussies was way better than the cocks they've had lately. Warm sunshine sets the mood, and immediately they began their journey to pussyland.

ON THE SCENE

RAUNCHY RING GIRL

Cotton swab jutting from his mouth like a coffin nail, the frowning cornerman worked at a frenzied pace. Time was of the essence. The clock ticked.

Southpaw Sammy Cicero was lucky to have survived the previous round. His left eye was swollen shut, compliments of a gaping cut which the cornerman slathered with petroleum jelly.

Cicero's trainer barked like a pissed off Pitbull, his commands going in one ear and out the other as the battered fighter followed the ring girl with his good eye. The raven-haired Asian beauty had everything to do with tonight's poor performance. Cicero couldn't think of anything else. Boxing wasn't the furthest thing from his mind, but it certainly wasn't his top priority.

That distinction belonged to the ring girl.

Cicero couldn't get her off his mind, couldn't think of anything else. She was, quite simply, the most beautiful woman he had ever seen.

Holding the card, she strutted around the ring like she owned it. Her black bikini and matching heels left little to the imagination. She was long and lean, her tits perfect half-melons, her ass a tight apple capable of bringing a man to his knees.

And that's exactly what happened in the next round when Cicero's opponent, a wiry Cuban with dazzling footwork, landed a wicked jab to the lefty's chin. Stars flashing before his good eye, the smitten southpaw dropped like a sack of grain . . .

"Thanks, Doc," said Cicero's trainer after the physician had finished his examination.

"Make sure he gets plenty of sleep," the doctor said before exiting the dressing room. "And no strenuous training for at least two weeks. Your man took a serious beating tonight."

Puzzled by Cicero's uncharacteristically poor showing, his trainer decided that now was not the time to question the lefty. There would be plenty of time for that after the fighter's head had stopped ringing.

"We'll get 'em next time, champ," he said in parting, leaving Cicero alone in the dressing room.

No sooner had his trainer made himself scarce than Cicero sat up. His silent routine hadn't been an act, not by a longshot. It literally hurt him to talk. But this wasn't the only reason for his zippered lips. His silence had encouraged his team to leave him be; no doubt they had taken it as a sign that he needed to be left alone so soon after having his bell rung.

Now Cicero walked to the bathroom. His was a shaky walk, shaky and agonizingly slow for a man in such good shape. His head pounded something fierce, each throb the tightening of a vise clamped to his skull. Still, he continued until he reached the sink.

The small mirror was less than kind. His reflected visage made him wince, not in physical pain but the realization that the fight had left him significantly disfigured. His left eye was nothing more than a slit surrounded by swollen purple flesh. His lip was a puffy mess, puffy and crusted with blood where it had been split by one of the Cuban's trademark jabs.

Normally, he wouldn't have been so dis-

heartened by the damage. He was a fighter, after all. These things went with the territory. But tonight had been anything but normal. Tonight, Cicero thought, he had seen a goddess in the guise of a ring girl. And he had to have her. But how? He was in no condition to ask her out. Hell, he looked like Frankenstein's monster!

"Sonofabitch!" Cicero slammed his fist into the mirror. The impact was explosive. Jagged pieces of glass dropped into the sink and on the floor. He could no longer see himself, his reflection replaced by an intricate spiderweb.

The blow had bloodied his already bruised knuckles. Cicero didn't give a damn. He had a good mind to hit the mirror again and put it out of its misery.

"Everything okay in here?"

The silky-smooth, feminine voice was incongruous with the shabby dressing room. His fist dripping blood, Cicero emerged from the bathroom. He couldn't believe his eye. It was her, in the flesh. Ring girl!

Framed in the doorway, she stood there in a full-length white robe. She had discarded her heels, Cicero noted, for a pair of rubber shower shoes.

"You're bleeding," she said, her youthful features freighted with concern.

"It's nothing," Cicero remarked.

"Let me see."

She closed the gap between them. Now Cicero could smell her. Lavender, he reasoned. She had just taken a shower. She took his hand in hers, gently, and frowned at his busted knuckles.

"I got in a fight," Cicero told her, "with the mirror."

She inspected the bathroom. "Looks like you won."

"Mirrors I can handle," he said. "Cuban exiles not so much."

And it's all your fault, sweety, Cicero thought, his hand still in hers. He wondered what she would say if he told her the unvarnished truth. "One look at you and I was done for," he imagined himself telling her. "I couldn't concentrate on the—"

Now she said, "I'm a nurse," and led him to the massage table. "Lie down."

He stretched out on the padded surface. Nurse, he thought. For now. Until her modeling career takes off. No doubt she was just waiting for her big break. Cicero's cornerman had left some first aid supplies on a nearby table. Ring girl had everything she needed to patch up his fist, which she did in short order.

"How's that?" she asked.

"Better," he said.

Cicero was genuinely touched by her concern for his wellbeing. It had been a long time, some three years, since a woman had cared for him. Gloria had been an okay wife before she cheated on him. He had never remarried. A few dates here and there, but nothing serious. Boxing became his life, his sole reason for living. Until he had been KO'd by this beautiful nurse moonlighting as a ring girl.

"What's your name?" he asked her.

"Aiko," she told him.

What the hell, Cicero thought. Ugly mug be damned. Go for it before she waltzes out of here and you never see her again.

"You've been very kind, Aiko. I'd love to repay the favor."

She searched his face.

"How 'bout a drink?" he asked her.

Aiko frowned. "In your condition? I don't think that's such a good idea."

"Not tonight," Cicero replied. "Later. Say, in a week or two. After I get my strength back."

"Okay," she said after a brief silence. "I'd like that."

The scent of lavender lingered after she had given Cicero her number and exited the dressing room, helping to relax him despite the brutal beating he had suffered

Ten days later, they met for drinks. Cicero's wounds had healed enough so that he no longer felt self-conscious about his appearance. He was well-rested. Since the fight he had gotten plenty of sleep and followed a strict diet. He could start jogging and hitting the bag in another week.

Relating his training schedule to Aiko between belts of club soda, Cicero struggled to maintain eye contact. The plunging neckline of her blouse drew attention to one of her best assets. He remembered the black bikini she had worn at the fight, recalling those stellar tits which had distracted him while she had worked the mostly male crowd into a frenzy.

"I'm glad you called," Aiko said. She took a swig of light beer, eyeing him over the rim of her frosted pint glass.

Cicero said, "That makes two of us."

Their night concluded with a nightcap at Aiko's place. At the bar she had inquired about his abstaining from alcohol. "Booze is strictly off limits," he had told her. "Trainer's orders."

Now, having crossed the threshold of her apartment, she asked him about sex.

"What about it?" he shot back.

"Does your trainer forbid that, too?"

"When I'm recovering, yes."

"Do you always do what your trainer says?"

"Yes," Cicero told her. "But tonight I'm willing to make an exception . . ."

This was Aiko's cue to crush her lips to his. Thankfully, Cicero's mouth had healed up nicely since the fight. They kissed and groped one another before Aiko led him to her bedroom.

Cicero undressed hastily, shedding his clothes in record time as Aiko did the same. The last article of clothing, Aiko's lace panties, topped the disorderly pile. Cicero was awestruck. Hers was the body of a swimsuit model. His cock responded . . .

"Somebody's happy to see me," Aiko remarked.

She crouched before him and devoured his prick in earnest. Her lips wrapped around his stiff shaft, she moved her head to and fro. Aiko employed the deliberately restrained motion of the experienced cock gobbler. She primed him expertly, slowly, preparing his prick for her pussy, which had already started to drip.

Moments later, she rose from the floor. Cicero followed her to the bed, studying her mouth-watering ass as he did so. You could crack an egg on that thing, he thought. She lay atop the plush comforter, offering herself in full. Cicero buried his face between her impossibly long legs and plied her with his tongue. Aiko writhed as he licked her moist slit, writhed and moaned and thrust her hips in a lewd display of wanton desire.

Cicero ate her pussy until his jaw ached, then he moved on top of her. He plunged his cock into her cunt, eliciting a grunt from his favorite ring girl.

"Oh, yeah," she uttered breathily. "Fuck me, baby. Make this pussy come . . ."

In time, Cicero thought. But he intended to pound her first. And that's exactly what he did. Driving his hips, he rammed it home repeatedly, deploying his rod like a man possessed. She wrapped her legs around his waist, locking them together to form the beast with two backs. This prompted Cicero to fuck her even harder, so hard that the headboard slammed against the wall.

On the brink of blowing his wad, he pulled out and scooted forward to position his throbbing tool above her tits. He jerked himself with one hand, shucking his schlong until spunk spurted from his engorged glans.

Her knockers coated with man batter, Aiko ran a finger through the sizable load and inserted it in her mouth. Having licked the finger clean, she swallowed Cicero's cum and grinned.

"Yummy," she said.

"Glad you like it."

Before he went home Cicero struck a deal with the raunchy ring girl. From now on Aiko was strictly forbidden from working his fights.

"You're too much of a distraction," he explained matter-of-factly. "I could never survive another beating like the one I took the other night."

"That's quite a compliment," Aiko said, already looking forward to their next date.

"I must insist on having an open relationship with the men I date. I like to date around with men and women. And I especially like two men at one time, so my date invited a friend who lived far away to minimize the possibility of my cheating on him later. The three of us got together and it was quite a fun experience fucking two cocks at once. "

HUAN NI

MY BEST FRIENDS THREESOME

My cheeks flushed with embarrassment as my best friend and her boyfriend worked together to take off my clothes. Rolling up my shirt to reveal large breasts, and sliding down my pants to expose my wet pussy. As I stood there naked, both their eyes unabashedly roamed over my figure.

I never really understood open relationships until the day my best friend said she was opening up her relationship with her boyfriend, Steven, and asked if I wanted to have a threesome. "I think we should try it," Huan Ni said, "I think you'd love it." I hesitated.

"Are you sure? I've never done anything like this before," I said.

"I know," Huan Ni reached over to take my hand, "but I promise Steven and I will make sure you're comfortable the entire time." I chewed on the idea for a couple days before I finally agreed. In the days leading up to our threesome I was a nervous wreck. Even my favorite professor noticed me spacing out during class.

On the day of, I resolved myself to push my nerves aside and knocked on Steven's door. My best friend of many years greeted me for the very first time with a kiss on the lips. It sent a jolt of energy through me, and I made her give me more. We made out against the front door for ages. Huan Ni's tongue slipping between my lips as her hands ran down my sides.

"I've been thinking about this all week," she whispered against my lips. Huan Ni took my hand and led me to the bedroom. Steven was already there. Calmly sitting on the bed not even trying to hide the obvious bulge in his pants.

"Hey," he said, his voice warm. He stood up and kissed me, his hand sliding down to grip my ass. "We're going to take care of you," he promised. My cheeks flushed with embarrassment as my best friend and her boyfriend worked together to take off my clothes. Rolling up my shirt to reveal large breasts, and sliding down my pants to expose my wet pussy. As I stood there naked, both their eyes unabashedly roamed over my figure.

"You're beautiful," Huan Ni said, her fingertips reaching out to caress my nipple. "Don't you think?" she asked Steven.

"She's gorgeous," he agreed. Finally, Huan Ni and Steven began to undress themselves and I watched them reveal their bodies to me. Huan Ni had perfect curves, her breasts were average but perky, and her thick thighs fell beautifully underneath her fat ass. Steven was only a couple inches taller than me but he was way more muscular. His arms

HUAN NI

BEST FRIEND'S THREESOME

especially were well-defined. The air felt thick with desire before any of us made a move. Huan Ni broke the tension by leaning forward to kiss me again. Steven joined in by letting his hands wander down my body. Massaging my tits and taking one of my nipples between his lips.

"Relax," Huan Ni whispered. She left a trail of kisses down my neck. "Just feel." Moving lower, her mouth latched onto my other nipple and began sucking. It was a new sensation, having both my nipples played with, and by two different people. I gasped, my back arching as I leaned into their touch. They guided me towards the bed until I sank down into plush white sheets. Steven positioned himself between my legs, his hands gripping my thighs as he lowered his head.

"Oh fuck!" I felt his tongue against my clit. Licking me from top to bottom, I couldn't help but praise Steven."So good," I panted, my fingers tangling in his hair.

Huan Ni positioned herself above me, straddling my head and lowering her dripping cunt onto my lips. I reached up to grip her waist and hold her steady. I mimicked Steven's movements onto Huan Ni and that seemed to drive her mad. She was grinding down against my face and moaning wantonly. My best friend cried out my name during her orgasm. Steven had to help me hold her up despite her trembling legs telling her to crash down. Huan Ni moved to my left side and pushed her hair back off her reddened face.

"Where'd you learn to do that?" She asked. I didn't get a chance to answer, too startled by Steven's sudden intrusion. His cock stretched my pussy and filled me completely.

"Oh god," I cried out. My hands reached to grip the sheets. I closed my eyes to savor the feeling and he reached down to grope my breast. When I opened them again, I saw Huan Ni and Steven making out above me, his cock still buried balls deep into my pussy. Rocking back and forth gently, Steven slid in and out of me while his lips stayed pressed against Huan Ni's. Watching them was the greatest turn on I'd ever experienced. Harsher thrusts pounded into me as Steven's movements grew frantic. I knew he was nearing his release. His rhythm grew uneven and his pace picked up.

"Cum on me," I piped up, "cum on my face!" I knew he'd give me a creampie had I not said anything, and at the time that was the last thing I needed. Steven pulled out and Huan Ni gave him a couple final strokes until he was groaning and releasing several ropes of cum all over me. Some of it did land on my face, a drop fell onto my lips and I licked it clean immediately. The rest painted my stomach and breasts in white.

After cleaning up, I ended up in the middle of the bed. Smushed in between Huan Ni and Steven. Both their arms wrapped opposingly across my waist, and Huan Ni buried her face into the crook of my neck. I still find it hard to believe that any of it actually happened, and I experienced the whole thing!
